Car Seat Mount for iPad

The mobile touch screen power of the iPad is revolutionizing how we interact with technology, view entertainment and connect with our friends and family. Now comfortably enjoy all your apps, games and movies on the road with the Car Seat Mount for iPad from CTA Digital. Easily attach the car mount to the back of driver or passenger side seats on most car models. Simply pull up the pillow on your headrest, latch on the secure car mount buckles and lock in place. The stand can be rotated to either set the iPad in a landscape or portrait orientation. Release the stand lock and adjust to fit the iPad with the padded grips. Lock the stand back in place when the iPad is firmly secured and you'll be ready to go! Perfect for taking your iPad on long road trips and commutes. So, enjoy watching videos, playing games and taking advantage of all the powerful apps in your car with CTA Digital's iPad Car Seat Mount.
